Our People

When companies entrust Ryder with their critical fleet, transportation and supply chain functions, it's because they know that we have the best people in the industry working on their business.

Ryder People Make the Difference

We invest in our people because they're fundamental to delivering what we promise to customers. Each and every day:

- Over 7,000 of the safest professional drivers in the industry are on the roads representing Ryder and our customers' brands.
- Over 5,000 of the most well-trained commercial vehicle technicians are committed to keeping our customers' fleets up and running.
- 7,400 of the most efficient warehouse employees ensure our customers' products are in the right place, at the right time, in the right condition.
- 250 of the brightest logistics engineers design the most efficient and responsive supply chain networks in the world.

These experts, along with thousands of other talented operations, sales and support specialists are part of a team of over 33,000 Ryder employees, all dedicated to collaborating with our customers and solving their problems.
